

FleetCor Acquires NexTraq, A Leading Telematics Provider

October 30, 2013

NORCROSS, Ga.--(BUSINESS WIRE)--Oct. 30, 2013-- FleetCor Technologies, Inc. (NYSE:FLT), a leading global provider of fuel cards and workforce payment products to businesses, announced today that it has acquired NexTraq, a US based provider of telematics solutions to small and medium-sized businesses, from Francisco Partners.

NexTraq provides fleet operators with an internet based system that enhances workforce productivity through real time vehicle tracking, route optimization, job dispatch, and fuel usage monitoring. NexTraq is based in Atlanta, and has an accomplished and experienced management team. The business has grown subscribers over 20% annually over the past couple of years and has now reached 100,000 active subscribers. It has a recurring monthly fee revenue model, making the business very predictable.

"NexTraq serves the same commercial fleet clients with its telematics solutions as we do with our fuel card solutions. This represents a big cross marketing opportunity for us to deepen our existing client relationships and generate more profit per client," said Ron Clarke, chairman and chief executive officer, FleetCor Technologies, Inc.

About FleetCor

FleetCor is a leading global provider of fuel cards and workforce payment products to businesses. FleetCor's payment programs enable businesses to better control employee spending and provide card-accepting merchants with a high volume customer base that can increase their sales and customer loyalty. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws. Statements that are not historical facts, including statements about FleetCor's beliefs, expectations and future performance, are forward-looking statements. Forward-looking statements can be identified by the use of words such as "anticipate," "intend," "believe," "estimate," "plan," "seek," "project" or "expect," "may," "will," "would," "could" or "should," the negative of these terms or other comparable terminology. Examples of forward-looking statements in this press release include statements relating to FleetCor's expectations regarding the acquisition described above. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially from those contained in any forward-looking statement, such as delays or failures associated with the acquisition and the failure to successfully integrate or otherwise achieve anticipated benefits from such acquired business; failure to successfully expand business internationally; the impact of foreign exchange rates on operations, revenue and income; the effects of general economic conditions on commercial activity, as well as the other risks and uncertainties identified under the caption "Risk Factors" in FleetCor's Annual Report on Form 10-K for the year ended December 31, 2012, filed with the Securities and Exchange Commission (the "SEC") on March 1, 2013. FleetCor believes these forward-looking statements are reasonable; however, forward-looking statements are not a guarantee of performance, and undue reliance should not be placed on such statements. The forward-looking statements included in this press release are made only as of the date hereof, and FleetCor does not undertake, and specifically disclaims, any obligation to update any such statements or to publicly announce the results of any revisions to any of such statements to reflect future events or developments.
