

BP Awards FleetCor Long Term Contract

November 12, 2015

ATLANTA--(BUSINESS WIRE)--Nov. 12, 2015-- FleetCor Technologies (NYSE: FLT), announced today that BP Products North America Inc. has extended its contract with FleetCor to provide commercial fleet card processing and program management for all of its fleet card products.

"This extension marks the continuation of a great business relationship between BP and FleetCor," said Ron Clarke, FleetCor's Chairman & Chief Executive Officer. "We look forward to continuing to support BP for many years to come."

BP and FleetCor have worked together to develop innovative card programs and services for BP's fuel marketers and fleet customers. "The innovation has resulted in one of the most competitive programs in the industry," says Todd House, President of FleetCor's North American Division.

About BP

BP is one of the world's leading international oil and gas companies, and over the past 10 years, has invested more than \$90 billion in the U.S. – more than any other energy company. BP provides customers with fuel for transportation, energy for heat and light, lubricants to keep engines moving, and the petrochemicals products used to make everyday items as diverse as paints, clothes and packaging. Employing about 17,000 people across the country, BP supports more than 170,000 additional jobs through all of its business activities. For more information, go to www.bp.com.

About FleetCor

FleetCor is a leading global provider of fuel cards and workforce payment products to businesses. FleetCor's payment programs enable businesses to better control employee spending and provide card-accepting merchants with a high volume customer base that can increase their sales and customer loyalty. FleetCor serves commercial accounts in North America, Latin America, Europe, and Australia/New Zealand. For more information, please visit www.fleetcor.com.
